

# An evening to celebrate International Women's Day

Sunday, March 4 at 7 pm

Dalit women face inconceivable obstacles as they are subject to abuse both for their status as untouchables and because they are women. It is these women who will gather, by the hundreds and thousands, for International Women's Day programs across India on March 8.

In honour of International Women's Day, we want to join with the *Dalit Freedom Network* to recognize the incredible strength, beauty, and courage shown by Dalit women every day.

Join us to celebrate—we will be watching a movie about the Dalit Women in India, enjoying some Indian Chai Tea and snacks. There will be an opportunity to donate towards purchasing a sewing machine and also some of the womens' wares will be available to purchase.

Location: Chantal Hilton's  
5969—156 Street, Surrey

RSVP to:  
Heather (604-589-9659) or

Tailor training and sewing machines are a key tool to empowering the Dalit women. Each sewing machines not only supports a family, it has an effect on the whole community. This project provides them with a way to escape the extreme discrimination and exploitation that they are subjected to.
