## **Hey Coast Hills Youth!**

As you may or may not know, Ajay is going to be moving on to a new job starting in February, 2019. We are going to miss having Ajay with us at Coast Hills, but we trust that God will guide us through these changes. In order to make some decisions about the next steps in leadership at Coast Hills Youth and Worship Ministry, we want to hear from you! This is why we have prepared some questions for you to think about and share your thoughts with us.

**Please write down any answers that you have to these questions:**

**1.) What is/are the most important parts of Coast Hills Youth and 68 on Sunday Mornings?**

**2.) Do you have any concerns about Youth, 68 or Worship Team at Coast Hills Community Church with Ajay leaving in February?**

**3.) Do you have any creative ideas for youth or worship?**

**4.) Are there ways that you would like to help/serve with youth or worship or otherwise at Coast Hills?**

*\*You are invited to bring your answers to a meeting before youth this Thursday, Nov 29th, 6:30 - 7:00\**
